Working Together for a Safer Capital 2007/08

CITY
WARD

I am very pleased to be able to report that at the end of the recording year April 2006 to March 2007, recorded levels of crime across Edinburgh fell by 3% on last year and solvency improved by 7% with 44% of all crimes committed solved.

The City of Edinburgh Policing Plan 2007/08 will help us build on this performance and tackle the competing priorities of national security, the protection of communities, the policing of events and the reduction of crime and disorder. The Plan emphasises that the sharing of information remains key to providing the highest quality of service and we will continue to engage with our partners and the diverse communities across the Capital to ensure that police officers are working where they are most needed.

Police Warning – Capital Scams

YOUR

The police are warning the public to be on their guard against buying fake goods from street sellers in Edinburgh. The alert comes after concerned members of the public were offered **fake jewellery** in the city centre during March. Police later arrested six people in connection with the incident.

A police spokesperson said, "We would urge members of the public to be cautious about purchasing anything from people approaching them in the street. People can be caught out buying inferior goods that are not worth the price being asked. If you have any concerns about street traders, you should get in touch with your local Council to report it."

In addition, three elderly residents in Edinburgh lost thousands of pounds after falling victim to a Canadian **lottery scam**. Victims were contacted by letter or telephone by the alleged operator of the lottery and communications have also been received from a Spanish lottery. Both promise vast sums of money in exchange for an administration fee.

A police spokesperson said, "We would urge people not to enter into any type of agreement to part with money to anyone offering them substantial prize winnings. Anyone being contacted should contact Consumer Direct on www.consumerdirect.gov.uk or 0845 4040506 or their local trading standards department."

Ward 02 - Currie / Juniper Green / Baberton

Here is the Currie / Juniper Green April newsletter covering activity from the 1st to the 31st March 2007.

I would like to start with a quick introduction. My name is Mike Smith and as of the 2nd April I am the new Community Beat Officer covering the Currie, Juniper Green and Hermiston areas.

I have 13 years police service having worked initially in the city centre for about 8 years, moving to the South Edinburgh Youth Action Team and lastly onto a CBO post in Morningside area. Also picking up attachments along the way.

I look forward to meeting as many of you as I can. Please give me time to find my feet in the new area.

Regards Mike Smith.
